

Every successful businessman only invests his time, money and effort into projects that will give him a profitable return. After returning from Thailand in 2007, I can truly say that I feel that I have invested into a project that will bring profitable returns in Heaven. Plan now to join us for this life changing trip!

"As a youth pastor, it is my desire to instill in the hearts of our teens a passion for souls, not just here in Middle Tennessee, but also around the world. It is not possible to pass on a passion for souls without first having a sincere passion for souls yourself. I see this "trip of a lifetime" as an opportunity to help impact lives of hundreds of teens here in my church. I am asking God to do a mighty work in my heart and give me a greater passion for souls!"

During the trip we will be visiting the Union of Myanmar (formerly Burma) mission field of Adoniram Judson (1788-1850), who left an impact that still carries on. We will visit a Baptist church that traces its roots back to Judson. Those attending will receive a treasured keepsake.

As the Pastor, I believe that God will bless the church and the individual that places their emphasis where God places His - missions. This trip will open your eyes to the need of the lost and cause you to rejoice in the redeeming and changing power of the Gospel!

But if the watchman see he sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take *any* person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand.

Thailand Mission Trip

January 5-16, 2009

Most of us have experienced the thrill, excitement, and burden of the missionaries that have presented their burdens in the church, but few can remember the last missionary that came to visit. Fewer still have seen the mission field or what goes on behind the pictures.

- Come and see the people behind the presentations
- Hear the testimonies of those whose eternal destination has been given a 180 degree change
- Have a small taste of the missionary's life
- Envision what God could do with you and/or your family

Please come and allow God to change your heart and expand your vision for world evangelism
