But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. *Ezekiel 33:6*

Reaching Thailand

June 2008

Dear Friends,

Hebrews 10:25 - *"Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching."*

May each of us be found faithful to Him that has called us to His service! We are in a day and time of much confusion, with all the turmoil that we face in the world today. We are not as those that have no hope. **We are encouraged that we have had a part in the salvation of 13 folks, with 10 following in believers' baptism.**

We opened the *Bible Center* in May and did not know how many to expect. Including several of our older kids, we ended up with forty-one in attendance. One course being taught this semester is "Qualifications of Being a Pastor" (I Timothy 3:1-7). This course is not just for those that feel

Bible Center! We, as well as they, are grateful for those of you that have made it possible for them to go to Bible School full-time and live at the home.

We are still in much prayer about having the school so the children can be educated at the home instead of having to go to a school where the emphasis is on Buddhism. We have applied for an extension for the building to be completed and are awaiting the decision to be made by the government;

Fourth Annual Missions Conference January 5-16, 2009

please pray with us for a favorable outcome. *Would you prayerfully consider taking up a special offering to go towards the construction of the school building? It will forever change the destiny of hundreds of young people for the better!*

The rainy season is upon us, once again. This means that the fields must be prepared for the planting of rice. We will plant about ten acres of rice this year, and this will consume a great deal of our training time with the different groups with whom we work. The rain also brings tall grass that seems to shoot up overnight. We have twenty weed eaters and six push lawn mowers that run nine hours a day for three days each week to keep the grass under control!

Please continue to pray for Miss Emerald's health and that the Lord would impart special wisdom to those that are working with her. Yi (*Srichand's Mother*) is 76 years old and is beginning to feel it. We can see what her failing health is doing to her and ask for your prayers. BoPeer (*kitchen staff*) is going through some health issues and is in need of your prayers. Srichand is experiencing some issues with her right arm. We have come to the conclusion that getting old is not much fun, healthwise!

13 Professions of Faith 10 Baptisms

they are called to preach, but is open to those that will one day seek another church and will need to know what to look for in a godly pastor. We have looked at verse 1 for eight hours, at this point.

We are still in prayer for a pastor for Hoel Soan Baptist Church. Our Bible students are driving four hours one way to help in the training of the people at that church. This is a very profitable time for our Bible Students, as well. At Hoel Soan Baptist Church, there have been several salvations and baptisms over the past month. Our preachers still arrive the last week of every month for eight hours of training each day in the ministry and Scriptures. We are delighted that we have had another couple enroll for work scholarship at the

Reaching the World

(continued from front page)

We ask that you continue to pray about the world financial situation and the toll it is taking on those on the foreign fields. We know that everyone is faced with the same problems. However, on the field, one can and does work overtime; but this does not bring in any additional funds to help with the work.

Please pray for and attempt to attend our **Fourth Annual Missions Conference**, scheduled for January 5 through 16, 2009. For more information, go to www.rickhorn.org. The theme is "Does Jesus Care?". We have found that many of those just getting saved want to know why they have such a difficult time as a Christian. We feel that this conference will help them to understand. Please, make it a point to come or send someone to this life-changing conference!

Thank you, again, for helping us to lift up Jesus in a country where there is very little Light for these eighteen years.

Cell Phone Fundraiser

We are currently raising money to help our new "Christian School Fund" by collecting used cell phones. This is an excellent opportunity to get children or individuals to feel that they have a part in the ministries that they support. We can receive anywhere from \$1 to \$40 per phone. We'll send you a box in which to collect the phones and a return shipping label. All you have to do is collect thirty used phones, seal the box and call UPS to pick it up.

If your church or an individual would be interested in helping us with this project, please call our home office at (615) 896-7794 or e-mail us at rhorn15@hotmail.com with the following information:
